Non-advertisement of vacancies by the Kendriya Vidyalaya Sangathan

406. SHRI ANAND PRAKASH GAUTAM: Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that during every session the Kendriya Vidyalaya Sangathan advertises vacancies of different categories of teachers to be filled through direct recruitment; and

(b) if so, what are the reasons for not advertising the vacancies during the current session?

THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRI CHIMANBHAI MEHTA): (a) Yes, Sir.

(b) So far as posts of PGTs are concerned, there are no vacancies in the General Category. There are vacancies of PGTs in the Reserved Category. These have been readvertised in December 1989, to the extent that the first effort to fill them failed.

For posts of PRTs, TGTs and Miscellaneous Categories of teachers, recruitments are made by the Regional Offices of the Kendriya Vidyalaya Sangathan, based on centralised advertisement brought out by the Sangathan. The criteria for shortlisting applicants for the posts of PRTs, TGTs and Miscellaneous Categories of teachers were changed with the Orders of the Chairman, Kendriya Vidyalaya Sangathan, in June, 1989. These revised criteria had to be applied for shortlisting the candidates who had applied in response to the advertisements issued in 1988. Only thereafter, recruitments against 1988 advertisements could be gone through. After completion of these recruitments, vacancy position so far as it relates to the current session which commenced of 1st May, 1990, has been intimated to the KVs Headquarters by the Regional Offices excepting in the case of one region. It is thus on account of the above-mentioned sequence of events that it has not been possible to advertise the vacancies for the current session so far.
